Maisie and Paul find a hair clip that reminds them of their mother. Write about an object that reminds you of someone you love.

Maisie helps take care of the house while her parents are away. What are some of your responsibilities at home?

Maisie and Paul make up places like "Lost Toy Park" under the sofa and "Wooden Leg Forest" in the dining room. Try making up names for areas in your home, too!

Draw a map of your room like Paul and Maisie do. Label big pieces of furniture, rugs, and anything else you can think of.

Aunt Michelle helps Maisie and Paul while their parents are away. She also helps people who have to isolate because of the pandemic. How do you help people around you?
